

The Federation of Gedney Hill CoE and Shepeau Stow Primary Schools

Our Vision is to ignite imagination and curiosity which builds an enduring passion for life-long learning

Dear Parents

29th March 2021

I hope you are all looking forward to a break over Easter and the chance to catch up with family and friends outdoors. Although restrictions still limit us, it will be lovely to see family members. I am hoping the weather stays fine for everyone.

Thank you all for following our guidelines in school. The measures we have in place will continue when we return after Easter in the hope we get back to some normality later in the term.

The children have once again returned to school with an eagerness to learn and see their friends. Their resilience is a credit to all of our families within the school community.

Staffing Update

One change for pupils at Shepeau Stow after May bank holiday weekend will be that Mrs Earth has decided to have a career change and will be leaving us on 3rd May. We would like to wish her every success and thank her for everything she has done during her time with us. The class will be taught by Mrs Barmby and Mr Barron during the recruitment process. This process is already underway and we will update you as soon as we have appointed.

Our topics letters will be coming out during the first week of the new term.

PTFA

On behalf of the whole federation I would like to thank the PTFA for their continued fund-raising efforts during lockdown. Once again, the children will all receive an Easter Egg provided by the PTFA. The next event organised is Bags To School. The collection will be on 17th April at Gedney Hill Memorial Hall.

Covid 19 reminders

Pupils should not be sent to school if they have any Covid symptoms. These can be found at <https://www.nhs.uk/conditions/coronavirus-covid-19/>

Pupils should access a PCR test if they have symptoms and no other family members should attend school until either receiving a negative result or 10 days following a positive test. During the holidays, if you need to notify school of a positive test, please email alison.buddle@shepeaustow.lincs.sch.uk.

I will monitor emails during the holidays but will only be responding to urgent concerns. Most day to day information can be found on our website. This includes term dates etc.

On a final note, I thank you all for your continued support during what has been one of possibly the most difficult years many of us have faced. Have a lovely Easter break.

Yours sincerely

Alison Buddle
