

Shepeau Stow Primary School

Dear Parents,

We have been given the opportunity, by a parent, to have some farm animals to come and visit the children in Puffins and Penguins. These will include a lamb, ducks and chickens.

This will be a fantastic opportunity to get close to these animals and talk about their features, their mummies and daddies and really enhance the children's vocabulary and experience.

If anybody has any questions, queries or concerns or is pregnant, please can you let a member of school staff know.

Many Thanks

Mrs Buddle
Executive Headteacher
